ARTICLE III ASSUMED LIABILITIES

Section 3.1 Assumed Liabilities; Post-Closing Liabilities. Purchaser shall assume and agree to perform in accordance with their terms, the Designated Contracts, but only to the extent the obligations to be performed are attributable to the period subsequent to the Closing Date. The liabilities and obligations assumed by Purchaser pursuant to this Section 3.1 shall be referred to as the "Assumed Liabilities."

Section 3.2 Other Liabilities. Except as otherwise provided in Section 3.1, as between the parties, Purchaser expressly does not assume, and Trustee agrees that, without affecting the applicability of the Bankruptcy Code to his rights and obligations with respect to third parties, Trustee, subject to all of Trustee's rights under the Bankruptcy Code, SIPA and other applicable Law (including, without limitation, the right to reject any Contract or Plan), will be responsible for:

(a) any other direct or indirect liability, known or unknown, fixed or unfixed, choate or inchoate, accrued, absolute, contingent or otherwise, whether arising out of any Contract, Plan, tort, statute or otherwise, of Debtor including, without limitation, any severance-related liability pertaining to Employees of Debtor or any of its Affiliates;

(e) all amounts owed by Debtor to any Affiliate of Debtor;

(f) all Taxes with respect to the Business or the Acquired Assets that are attributable to or allocable to any Pre-Closing Tax Period; and

(g) all liabilities and obligations of Debtor of whatever nature, whether presently in existence or hereafter arising, other than the Assumed Liabilities.

The liabilities and obligations retained by Debtor pursuant to this Section 3.2 shall be referred to as the "Excluded Liabilities."

To effectuate the assumption by Purchaser of the Assumed Liabilities, Purchaser and Trustee shall execute and deliver at the Closing the Assumption Agreement.

Section 3.3 Non-Assignment of Contracts. This Agreement shall not constitute an agreement to assign any Designated Contract, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would be unenforceable. Any assignment to Purchaser of any Designated Contract that shall, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, require the consent of any third party for such assignment as aforesaid shall be made subject to such consent being obtained. Nothing in this Section 3.3 shall be deemed to limit anything in Section 8.2 or Section 9.3.

ARTICLE IV PAYMENT; CLOSING; POST-CLOSING

Section 4.1 Purchase Price.

(a) The total consideration for the Acquired Assets and the covenants of Trustee herein (the "Purchase Price") shall be (i) One Million Dollars (\$1,000,000) (the "Closing Payment"), plus (ii) certain additional payments (the "Earn-Out Payments") in an amount determined in accordance with, and pursuant to the terms and conditions of Sections 4.1(b), 4.1(c) and 4.1(d). The Purchase Price shall be paid as follows:

(i) Upon the execution of this Agreement, Purchaser shall pay to Trustee, in the form of a cashiers check payable to Trustee, a non-refundable (except as provided in Section 12.2) deposit in the amount of Four Hundred Eighty-Five Thousand Dollars (\$485,000) (the "Enhanced Deposit" and, collectively with the Initial Deposit, the "Deposits") to be applied against the full Closing Payment, as more fully described in the Procedures Order;

(ii) On the Closing Date, Purchaser shall pay in cash the Closing Payment less the Deposits directly to Trustee pursuant to a wire transfer of immediately available funds to an account specified in writing by Trustee at least two (2) Business Days prior to the Closing Date; and

(iii) Purchaser shall pay in cash, as and when due pursuant to Section 4.1(d), the Earn-Out Payments directly to Trustee pursuant to wire transfers of immediately available funds to an account specified in writing by Trustee (or to such other accounts as Trustee may direct in writing at least two (2) days prior to the date any relevant payment is due). All payments made by Purchaser to Trustee hereunder shall be on a first priority basis in respect of the operating expenses of Purchaser and without any set-off, counterclaims, deductions or any other offset of any kind with respect to Trustee.

(b) For each calendar quarter after the Closing Date during the Earn-Out Period, Purchaser shall pay to Trustee as part of the Purchase Price hereunder an Earn-Out Payment that shall be equal to fifteen percent (15%) of the Net Trading Revenue earned by

Purchaser during such calendar quarter, provided, however, that Purchaser's obligation to make Earn-Out Payments shall cease upon Trustee receiving from Purchaser Twenty Four Million Five Hundred Thousand Dollars (\$24,500,000) in the aggregate solely in respect of the Earn-Out Payments (the "Earn-Out Cap"). The term "Net Trading Revenue" means, for any applicable calendar quarter, gross trading revenue, plus net rebate, net commission, net market access fees paid by or to Purchaser (including DOT gross-up and ECN expenses) and income from market data provision, stock borrow loans, dividends, tape revenue and class action lawsuits, less service bureau transaction fees and per share or per trade clearing and regulatory fees (including SRO execution fees). Net Trading Revenue shall not include all profits, losses or expenses arising from any proprietary trading activities.

(c) No later than ten (10) Business Days following the conclusion of each calendar quarter during the Earn-Out Period, Purchaser shall pay by wire transfer to Trustee the Earn-Out Payment for such calendar quarter and shall deliver to Trustee simultaneously with such Earn-Out Payments an earn-out report (each, an "Earn-Out Report"), setting forth in reasonable detail the basis for Purchaser's determination of the applicable Earn-Out Payment and Net Trading Revenue for the relevant calendar quarter. Purchaser shall provide any additional supporting information not set forth in the Earn-Out Report that Trustee reasonably requests in order to verify the accuracy of the determination of any applicable Earn-Out Payment or Net Trading Revenue set forth in such Earn-Out Report.

(i) Purchaser shall, upon request by Trustee made within ninety (90) days of receipt by Trustee of the respective Earn-Out Report, make available for review the books and records of Purchaser related to Purchaser and the Business in order for Trustee to verify the accuracy of the determination of the Earn-Out Payment and Net Trading Revenue as set forth in the Earn-Out Report. Trustee may request, by notice to Purchaser within such ninety (90)-day period, that such determination(s) be audited by an independent certified public accountant selected by Trustee, and the auditor shall be provided access to books and records relating to the Business and Purchaser as requested by the auditor. The auditor's decision shall, subject to Purchaser providing prompt access to the books and records as requested by the auditor, be made within ninety (90) days of his/its appointment and shall be binding upon the parties and non-appealable. Purchaser shall pay to Trustee any adjustment payment to any previous Earn-Out Payments within ten (10) Business Days of the auditor's decision thereof. Trustee shall bear all costs of any such audit, except that if the amount of any adjustment payment required by Purchaser based on the auditor's decision represents more than five percent (5%) of the amount that was the subject of the disagreement, then Purchaser shall pay all costs of such audit.

(ii) From the Closing Date and through the conclusion of the Earn-Out Period (w) Purchaser shall not, and shall not permit any of its Affiliates to, engage, directly or indirectly, in the operation of a market making business other than through Purchaser; (x) in order to facilitate the determination of any Earn-Out Payments owed by Purchaser to Trustee, Purchaser shall, for accounting purposes, operate the Business as if it were a separate, stand alone entity and account to Trustee with separate financial statements of the Business as a stand-alone entity prepared in accordance with GAAP; (y) Purchaser shall provide all capital reasonably necessary for Purchaser's operation of the Business following the Closing (but which in no event shall be less than a commercially reasonable amount, given the intended and

customary use of the Business as a market maker); and (z) Purchaser's operation of the Business shall be conducted in a commercially reasonable manner with the goal of maintaining the commercial viability of the Business.

(d) If, following the Closing and prior to the conclusion of Purchaser's obligations to make all Earn-Out Payments, a Sale of the Purchaser occurs, then the provisions of Sections 4.1(b) shall terminate immediately in respect of the Purchaser and in lieu thereof Purchaser shall be obligated to take the following actions:

(i) if the amount to be received by Purchaser or the holders of its equity interests in such Sale of the Purchaser (the "Sale Proceeds") exceeds the sum (the "Earn-Out Remainder") of the Earn-Out Cap minus all Earn-Out Payments actually received by Trustee pursuant to Section 4.1(b) as of such date, then Purchaser shall pay to Trustee at closing thereof an amount equal to such Sale Proceeds; and

(ii) if the Sale Proceeds do not exceed the Earn-Out Remainder, then the amount of the Sale Proceeds shall be transferred to Trustee at closing thereof and the obligation to make any Earn-Out Payments constituting the Earn-Out Remainder up to the sum of the Earn-Out Cap minus the Sale Proceeds shall be assumed by the third-party purchaser in such Sale of the Purchaser; provided, that the third-party purchaser shall have assumed the obligation in respect of such remaining Earn-Out Payments in writing and Trustee shall have been granted third-party beneficiary rights related thereto, in form and substance satisfactory to Trustee.

Where any such Sale of the Purchaser is effected through a series of transactions, the parties acknowledge and agree that the obligations of Purchaser set forth in this Section 4.1(d) shall be interpreted, to the maximum extent permitted by Law, so as to be triggered as of the consummation of the first transaction comprising such series of transactions.

Section 4.2 Acknowledgement and Allocation of Purchase Price. The parties hereby acknowledge and agree that the Closing Payment and any Earn-Out Payments shall constitute Purchase Price hereunder. The aggregate Purchase Price shall be allocated by Trustee and Purchaser among the Acquired Assets as set forth on Schedule 4.2 hereto. Such agreed allocation is intended to comply with Section 1060 of the Tax Code and Purchaser and Trustee hereby agree to report the transactions contemplated hereby for federal income Tax purposes in accordance with such allocation.

Section 4.3 Date, Time and Place of Closing. The transactions provided for by this Agreement shall be consummated (the "Closing") at 10:00 a.m., local time, at the offices of Baker & Hostetler LLP, 45 Rockefeller Plaza, New York, NY 10111, on the first Business Day following the date on which all of the conditions to the parties obligations set forth in Articles VIII, IX and X have been satisfied or waived in writing by the appropriate party, or such other date or place as may be agreed upon by the parties hereto. The date and time of Closing is hereinafter sometimes called the "Closing Date."

Section 4.4 Prepayment. At any time from the date hereof through the date on which the Earn-Out Cap is paid in full, Purchaser shall have the option to accelerate its obligations in

respect of the Earn-Out Payments and pay to Trustee at such time an amount equal to (a) the Earn-Out Cap minus (b) the aggregate amount of Earn-Out Payments actually received by Trustee as of such date (the “Prepaid Earn-Out Payment”). Upon actual receipt by Trustee of payment in full of the Prepaid Earn-Out Payment, all rights and obligations of either party under this Agreement shall immediately terminate.

Section 4.5 Right of Rescission. Following the Closing, in the event that FINRA provides a final determination that it has denied any approvals required for the Business as set forth in Section 7.13(a)(i) and (ii), Trustee shall have the sole and exclusive option in his sole discretion to promptly rescind the transactions contemplated hereby and all of the Acquired Assets will be returned by Purchaser to Trustee in exchange for the return of Four Hundred Sixty-Five Thousand Dollars (\$465,000), it being expressly understood that the Deposits shall remain the sole and exclusive property of Trustee as liquidated damages.

Section 4.6 Termination of Obligations. Notwithstanding anything to the contrary set forth herein, upon actual receipt by the Trustee of Earn-Out Payments in an amount equal to the Earn-Out Cap, all rights and obligations of either party under this Agreement shall immediately terminate with no further force and effect.

ARTICLE V REPRESENTATIONS AND WARRANTIES OF TRUSTEE
